Annual Tuition Fee

The annual tuition fee is the fee payable for a specifically designed and structured curriculum, which includes:

- Beginning of the year stationary package
- All text books are provided
- Support for English as an Additional Language (EAL)
- Selected After School Activity Program (ASAP) and Sports programs
- Special Educational Needs support
- School Counseling services

Re-enrollment Deposit 22,500,000

To secure a place for your child for the 2018-2019 academic year, we require a Re-enrollment Deposit. The amount of the deposit is then deducted from the tuition fee regardless of the payment plan you chose.

Early Bird Discount

An Early Bird discount of 4% is offered to families returning to ISSP for the next school year, who make payment of the annual tuition fees and secure their place prior to the 1st June 2018.

An additional 2% discount, making 6% in total, is available for families who pay the annual tuition prior to 4th May 2018. Early Bird discounts are only available to those paying the fees annually and prior to the specified date.

Payment Options

ISSP non-corporate fee paying families are able to choose from three options. The fees can be paid annually or through a semester plan, twice a year or through a term plan, four times per year.

Sibling Discount

A sibling discount is offered for non-corporate fee payers. The second family child enrolled in either ISHCMC American Academy or International School Saigon Pearl will receive a 5% discount. The third, and subsequent siblings, will receive a 20% discount on the annual tuition fees. Siblings from your family who attend ISHCMC also count towards the sibling discount program at ISSP, but there is no discount applied to ISHCMC tuition.
